Resolutions

Read before the Baptist Sunday school, Sunday morning March 7, 1886, relative to the death of Miss Minnie Stephen.

WISCONSIN. It has been the will of God to remove from us our beloved scholar and friend, Miss Minnie Stephen, who in life was a faithful and earnest Christian and at the end died the death of the righteous; therefore be it

Resolved, That in bowing to the will of the Most High, we deeply mourn the loss of one possessed of such rare and noble virtue.

Resolved, That realizing the power of words in the presence of death, we tender the bereaved relations of the deceased the comfort that our sympathy affords.

Resolved, That a copy of these resolutions be sent upon the request of the pastor of the church, and be presented to the family of the deceased, also a copy be handed to the papers of this city for publication.

Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped, or leg amputated. I used, instead, three bottles of Electric Bitter, and seven boxes of Bucklin's Arnica Salve, and my leg is now sound and well."

FRANKFORT ROUNDABOUT.

FRANKFORT, MARCH 20, 1856.

The alarm of fire Monday night was occasioned by the burning out of a chimney of a small grocery on East Third street, South Side.

Mr. Darsle preaches to-morrow morning on "The Work of Faith," and at night on "Our Refuge in Christ." You are invited.

The warm sunshine and pleasant weather of the past week has caused the merchants to put up their awnings and spring poetry to sprout.

We have used Tongaline in several cases of neuralgia and rheumatism, and relief has followed its use in every instance. DR. N. A. & A. McCoy, Pinson, Tenn.

Col. Richard H. Taylor, of this city, left for Louisville Thursday afternoon, where he has secured the position of clerk in the Commercial Hotel on Main street, near Seventh.

Rev. J. Norton Chestnut, formerly of this city, but now rector of the Church of the Advent, St. Louis, Mo., has received a call to take charge of St. Peter's Church in Louisville.

A large number of fine bass, silver perch and suckers have been taken out of the river with dip nets this week. We understand a large number are also being destroyed by the use of dynamite, which ought to be put a stop to.

Mr. W. H. Settle, formerly of this city, died suddenly Wednesday evening at his home in Louisville, of heart disease. He leaves a second wife and seven children, besides the children of his first marriage—Messrs. Evan E. and James Settle, of Owen county.

Monday morning while some hands were threshing oats for seed on the farm of Mr. Wm. M. Wilkerson, near the Forks of Elkhorn, the straw caught fire from the engine of the thresher and before the flames could be subdued nine stacks of oats, valued at \$300 were consumed.

Rev. G. F. Bagby is now traveling in the interest of the Foreign Mission Board of his Church and will be absent from home for six or eight weeks, during which time his pulpit will be filled by ministers from Louisville. Dr. Manley will occupy the pulpit to-morrow morning and evening.

On motion of that great statesman and patriot, Col. Adam Renaker, in the Legislature yesterday, a salute of seventeen guns was fired on Arsenal Hill in honor of St. Patrick's day.—*Lexington Transcript*, 18th inst.

A little off. Adam moved, but the guns didn't boom that anybody knows of. The cannons have refused to speak anymore at Adam's command.

The dress making department of Messrs. Weltzel & O'Donnell's establishment is now open, a large force is busily engaged in turning out all the latest style spring and summer suits for ladies and it will be their aim to give prompt attention to all work of this kind. The lady having this department in charge has large experience in the business and will be sure to please all who may give her a call.

A circular meeting of four churches; Mt. Pleasant, South Benson, Forks of Elkhorn and Frankfort, in the interests of missions, will commence in Frankfort on the 4th Sunday in March, 28th inst., at the Baptist Church. Several ministers will be present, including Revs. R. L. Thurmon, J. H. Spencer, J. R. Sampson, Thomas Stevenson and others, and participate in the proceedings. Meetings in morning, afternoon and night. All invited to attend.

Messrs. Milam & McKee having failed to get sufficient power out of their water motor, have taken it out of their Jewel Mill and put in a fifteen horse power steam engine and are now prepared to turn out 100 bushels of meal and ten barrels of hamper per day. The engine is an Atlas, was put up by Messrs. J. R. Meek and Richard Weaver and gives all the power necessary to run all the machinery of the mill to its fullest capacity. It was started up for the first time Tuesday morning and ran as slick as a ribbon.

J. W. Bohannan is a candidate for re-election as Magistrate.

The remains of Kentucky's great sculptor, Joel T. Hart, which were brought to this city from Italy about a year ago, still lie in the vault at the cemetery, and have never been interred, the appropriation made by the Legislature having been exhausted in the removal.

WANTED.—By the city of Frankfort and Franklin county, like a fellow wants a pistol in Texas, a Senator and Representative in the Legislature who will be in their seats and look to the interests of their constituents when important measures are brought up.

Dr. A. A. Willits, of Louisville, will deliver his celebrated lecture on "Sunshine" in the Hall of the House of Representatives Tuesday night, March 30th. It will be a treat that no one can afford to lose. The price of admission to all parts of the Hall will be fifty cents.

A notorious bummer of this city, who has bled the candidates to the fullest extent, and found they were beginning to grow weary of him, changed his tactics and struck one of the candidates for magistrate, the first of the week, for a small contribution for the benefit of a Sunday-school.

Mrs. Deborah Gault, widow of the late John Gault, of this county, died Monday afternoon, at her residence near Peak's Mill, after an illness of several weeks duration. The funeral took place Wednesday morning from the First Presbyterian Church in this city.

Royal Blood.

We are all kings and queens in this country, and we have a right to good blood as that which courses through the veins of emperors. If the blood is poor and the cheeks are pale, it is well known that Brown's Iron Bitters is the great tonic which will give color, vigor, and vitality. Mr. K. Gibson, of West Point, Miss., says, "I felt weak and debilitated. Brown's Iron Bitters made me strong and well."

Isaac Murphy, the colored Archer of America, passed through this city Wednesday morning on his way to California to visit the ranch of "Lucky" Baldwin, the millionaire, for whom he is under contract to ride this year. He will return East with the stable as soon as the racing season begins.

Miss Rose Coghlan made her appearance as a star last night at Niblo's Garden and was as charming as ever. The large audience expressed its pleasure and demands Miss Coghlan to appear before the curtain again.

Miss Rose Coghlan carried by storm the hearts of the large audience assembled last evening at Niblo's Garden to see the Wallack Theater success, "Our Joan." There is no much that can be said of the company, except that it appeals to humanity, and is a credit to itself, and when portrayed with such faithful adherence to nature and with so much of soulfulness and force as it was last night it is not surprising that enthusiasm rises to a great height.—*N. Y. News*.

Miss Coghlan began an engagement in Louisville on Monday, but will appear at the Opera House in this city on Thursday evening the 25th.

The St. Patrick's celebration at the Court House Wednesday evening was largely attended by both ladies and gentlemen. The music was furnished by the Frankfort Cornet Band, and the stand was beautifully draped with green cloth ornamented with bouquets of flowers. On the wall behind the stand the green flag of Erin and the stars and stripes were fastened together, making a beautiful background. Gov. Knott presided, and opened the meeting with a few appropriate remarks, and then introduced Hon. Jas. H. Mulligan, of Lexington, who spoke for about an hour and was followed in short speeches by Hon. George Smith, of Hancock county, and John Rheam, Esq. of Russellville.

Hard Times.

While money is close, wages and prices low, expenses should be cut down in every household. Economy is the watch word for mothers, head of doctor bills, by always keeping in the house, a bottle of Dr. Bosanko's Cough and Lung Syrup. From Michigan.

Mr. John J. White, a merchant in Clinton, Michigan, writes from his home under date of December 15, 1855. I have been suffering with eczema for more than a year, and have tried four different physicians, but to no permanent benefit. They then tried various remedies for such disease, but all signally failed to bring them relief. I was in a terrible condition, being covered from head to foot with this terrible disease, and notwithstanding all I could do I continued to grow worse. At last seeing the statement of Mr. Bradley, of Detroit, of what S. S. had done for his wife (but my faith in patent medicines is small), I bought one bottle, thinking, however, it was another \$1.75 thrown away. To my great astonishment and delight the terrible itching subsided. I am now on my eighth bottle, and the disease has disappeared almost, there being only a few rough places on the small of my back and legs. The comfort of a complete cure will be effected at an early day. I write this that those who are similarly afflicted may find relief.

Treatment on blood and skin diseases maled free.

and a few weeks later the street lamps
were knocked down and broken. The

they will be severely dealt with.

Prof. Wayland Graham

When the flood is loaded with impuri-
ties, and moves sluggishly in the
veins, an alternative is needed. This
condition of the vital fluid cannot last
long without serious results. There is
nothing better than Ayer's Sarsaparilla
to purify the blood and impart energy
to the system.

**The One Gallows School
House.**

The joy of the people of our end of the
city (which is Craw) knew no bounds when
it was noise around that our bosses intended
to give us a school. But when we learned
that they intended for us one-gallows
school it was turned to sadness.

The truth is the tax-payers of North
Frankfort will never be satisfied with a lit-
tle pitiful school building, to cost only
three or four thousand dollars, while
from twenty-five to thirty thousand dollars
will be required to build a suitable
edifice for school purposes on the South
Side. This matter might as well be under-
stood and acted on by our authorities first
as last. Each ward in the city is justly
entitled to a school building equal
in capacity and equipment, as any other
of the others and in a short time
bound to have it or there will be a tremen-
dous rookery kicked up around the ears of
somebody. For years the citizens of the
locality have seen their interests and
those of their other neighbors neglected
by the authorities until this part of
the side the river are fully aroused to a
sense of their municipal rights and inter-
ests. We have made up our mind that
those rights and interests shall not be sacri-
ficed in this school matter. We consider
a large majority of the population of
the city to be bulk of taxes into the treas-
ury and demand at least an equal division
of all schools, or otherwise, derivable,
either directly or indirectly from these
taxes or lotteries, either or both. It is well
known that every citizen of this part
of those benefits. It is not necessary to
particularize at this time. It can be done
when necessary. These brief suggestions
ought to be sufficient to all parties having
control and final decision of this important
question. They will be, if our fathers
fathers are either one-half just, or half
wise.

ROUNDABOUT - Supplement.

FRANKFORT, KY., MARCH 20, 1886.

Louisville Tobacco Market.

FURNISHED BY GLOVER & DURRITT, PROPRIETORS LOUISVILLE TOBACCO WHOLESALE HOUSE.

The following quotations fairly represent our market for New Burley:

The receipts and sales this week have been higher than for some time past, the result of the recent unfavorable weather conditions. There has been some improvement in prices in the past few days on all grades of Burley tobacco, and especially is this true of the medium grades of flilly leaf. The sales for the week amount to 2,507 hds., and the sales for the year amount to 29,301 hds., against 29,237 hds. for the corresponding period last year. The sales of the new crop to date amount to 27,18 hds., and the receipts for the week are 1,470 hds.

As one who has suffered, and knows by bitter experience what he says, I implore every one who reads these words not to neglect the slightest symptom of kidney difficulty. No one can afford to hazard such chance.

I make the foregoing statements based upon facts which I can substantiate to the letter. The welfare of those who may possibly be sufferers such as I was is an ample inducement for me to take the step I have, and if I can successfully warn others from the dangerous path in which I once walked I am willing to endure all the professional and personal consequences.
